AMEND Senate Bill No. 3895*

House Bill No. 4011

By deleting the language "eligible." at the end of the amendatory language of the first amendatory clause amending Section 56-7-3005 and by substituting instead:

eligible; provided, however, this requirement may be waived by the department for:

(1) any period of time when an individual has had benefits coverage as a member of the armed forces, or

(2) any period of time when an individual's employer offered such benefits coverage and did not pay at least half of the cost of such benefits coverage.

AND FURTHER AMEND by deleting the language "program." at the end of the amendatory language of the second amendatory clause amending Section 56-7-3006 and by substituting instead:

program; provided, however, this requirement may be waived by the department for an employer for any period of time when such employer offered such benefits coverage and did not pay at least half of the cost of such benefits coverage.
